

PUBLIC NOTICE

For: MUSEUM PARK II - 7112-21

**By: City of Houston
Houston Public Works
Transportation and Drainage Operations
Neighborhood Traffic Management Program**

Dear Resident,

The City of Houston has been working with representatives from your neighborhood to develop a plan to improve traffic safety in your area. This project is the result of an application from **Museum Park II** neighborhood for participation in the Neighborhood Traffic Management Speed Control Program (NTMP).

As part of the process, a proposal for the installation of speed cushions on various streets for this project has been developed. Per City Ordinance, this public notice is being sent to residents and property owners within 0.5 mile of the proposed speed cushions; therefore, the proposed devices may or may not have any direct impact on your driving patterns. For your review on the back of this letter is a map of the proposed locations.

The Neighborhood Traffic Management Section would like to hear your input for the proposed plan. Public comments will be accepted till **November 19, 2021**. You may submit written comments to our office on the form below or online at: http://popms.houstontx.gov/ntmp/rptFeedback_Pub.

After the comment period, the Department of Houston Public Works will review all information and comments regarding the project and determine if the speed cushions should be installed.

For further information, please call the Neighborhood Traffic Section at 832-395-3000. Thank you for your participation and interest in traffic safety on Houston's streets.

Comment Card

Do you have any comments regarding the proposed Neighborhood Traffic Project?

YOUR COMMENT MUST BE RETURNED TO THE NTMP OFFICE BY November 19, 2021.

Mail to: City of Houston
Transportation and Drainage Operations, Neighborhood Traffic Section
