Membership Report (Louis Selig):

Louis would like to grow the membership to 900. Please contact Louis if you would like to help in this effort.

Safety & Security (Chris Erikson):

Continue to use 911, HPD non-emergency number, and HFD to report illegal activities and fires beneath US 59.

Regular Business was deferred to February meeting in order to make time for the program.

Super Neighborhood President Kathleen O'Reilly introduced guests from Precinct One County Commissioner Rodney Ellis' office including Johannah Thompkins, Community Engagement Coordinator and The Trust for Public Land specialists, Marlon P. Connley and Luis Guijardo.

Kathleen turned the program over to Marlon and Luis who gave a power point presentation on *The Trust for Public Land*. The project is designed to improve community health, build stronger social ties, and meet environmental challenges through determining the best, most equitable, most strategic ways to increase access to parks and trails for all residents of Precinct One. After the power point, those present were invited to give input regarding parks on the response boards located in the narthex of the church.
