

The Ion

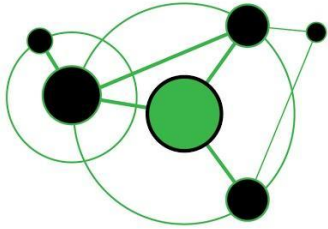

Project Overview

April 2019

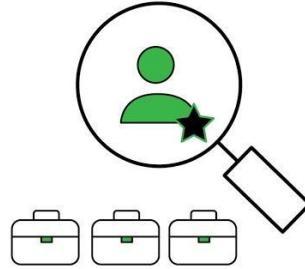

Goal: support economic growth and create pathways to opportunity.

1

**Strengthen Houston's
economic
competitiveness.**

2

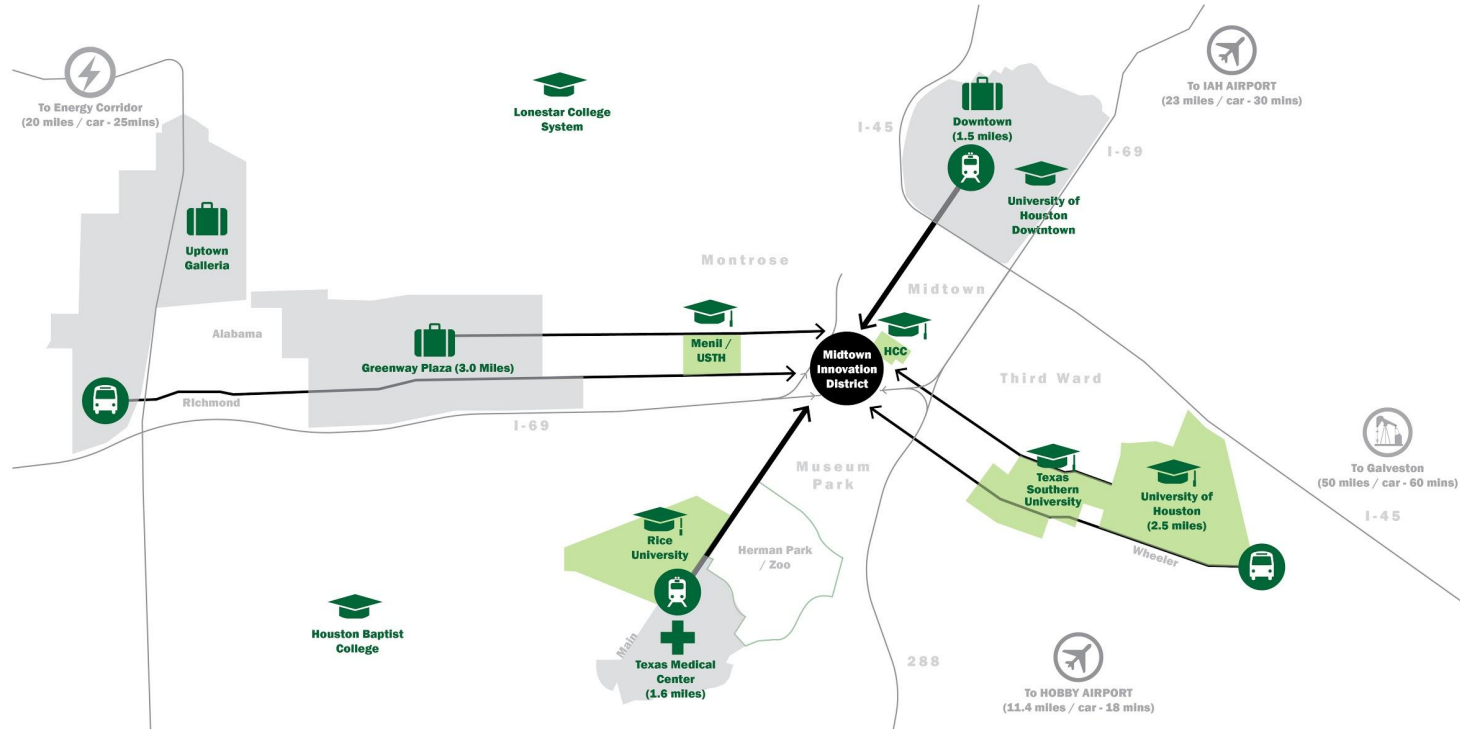

**Expand access to
opportunity.**

3

**Create a welcoming
place that drives
long-term value.**

The innovation district will become the epicenter of Houston's innovation ecosystem.

Partnership and collaboration is essential to the project's success.

The vision for The Ion includes a variety of uses and programs.
